**“ETHICAL AND ETIQUETTE CONSIDERATIONS IN THE MODERN AGE”**

1. **Professionalism and You:** Some lawyers, clients, collection agencies, forwarders, and third party administrators don't “get it.”
2. **Rules of Professional Conduct and Attorney Disciplinary Rules in New York State:** How to mishandle money and other ways to lose your law license.
3. **Why Attorneys are Targets for Thefts by Third Parties:** We are holding “big bucks” or there is a perception that we are holding “big bucks.”
4. **Supervision of Remote Work and Unauthorized Practice of Law:** Remote work is part of the Modern Age, as is state enforcement of UPL.
5. **Lawyer Assistance Programs:** Get help before it's too late.

**In other words, it's cheaper to learn from other attorneys' mistakes  
than it is to make your own mistakes.**
